**Store it. File it. Accessorize it!**

In an ideal world, you'd never need to file or store anything, but in real life—well, the needs are seemingly endless. Fortunately, WorkStream's filing and storage systems are equally abundant, with lateral files, towers, wardrobes, and even bookcases. Whether your office requires under-table storage, wall units, mobile storage or a combination of secure, high-quality storage options, WorkStream products are an ideal solution, with complementary products for all WorkStream desk collections!

▼ BELOW: ALL WORKSTREAM PRODUCTS ARE AVAILABLE IN 21 QUICK SHIP LAMINATE COLORS, WITH OPTIONAL HARDWARE!

**Ideal Accessories For Every WorkStream Desk Collection!**

The Accessories Collection is the ideal complement to WorkStream's stylish desk collections. Whether you've standardized your office on ArchWorks, Advantage, Essentials, Pacifica or Studio series—or a combination of popular WorkStream products, the Accessories Collection features ideal pieces to meet a broad range of office needs. From credenzas and hutches to corner cabinets and wall units, WorkStream Accessories provide solutions in a variety of dimensions, laminates, and hardware options.

▼ BELOW: WORKSTREAM PRODUCTS FEATURE METAL-TO-METAL CONNECTIONS AND REINFORCED, HEAVY-DUTY ADJUSTABLE HINGES. ALL ACCESSORY PRODUCTS ARE DESIGNED TO COMPLIMENT YOUR EXISTING WORKSTREAM DESK COLLECTION, FOR MAXIMUM AESTHETIC APPEAL AND FUNCTIONALITY!

**Quality components, craftsmanship, styling—WorkStream puts it all on the table!**

From well-crafted desks to a variety of other worksurfaces, WorkStream Accessory tables provide a wide range of office furnishing solutions. Whether you're looking for end tables, sofa tables, coffee tables, or small conference tables and round tables for meeting spaces, our Accessories Collection includes plenty of optional tables in whatever dimension and finish you need! You can even select coordinating and contrasting edge banding and surface finishes! Ask your WorkStream representative about our impressive selection of accessory tables.
