Dear Richard:

Congratulations to Workstream, Inc.! GREENGUARD Environmental Institute (GEI) is pleased to award GREENGUARD Certification to Workstream, Inc.'s "Casegoods-01" product category. We applaud your commitment to improving indoor air quality for your customers. Your GREENGUARD Certified Products are in compliance with the stringent emission guidelines set by GEI.

With GREENGUARD Certification comes the privilege to use the GREENGUARD Indoor Air Quality Certified® mark on Workstream, Inc.'s certified products, packaging, and marketing materials. Using the GREENGUARD mark clearly differentiates Workstream, Inc.'s products in the marketplace and communicates your commitment to indoor air quality. In addition, these certified products will be listed in GREENGUARD's online product guide, the world's premier guide to third-party certified low-emitting interior products and building materials.

GEI's mission is to improve public health and quality of life through the GREENGUARD Certification Program<sup>SM</sup>. Thank you for supporting this mission by manufacturing low-emitting products for better indoor environments and participating in the GREENGUARD Certification Program.

Sincerely,

A handwritten signature in cursive script that reads "Ethleen M. Howell".
